Tecumseh's Farmers Market

2025 Season

Rules and Regulations

Market Information

- Season dates & hours of operation: Saturdays starting at 9am until 1pm, beginning May 10th through October 4th, as well as October 18th & 25th. There is NO market on October 11th. Market occurs rain or shine (exceptions for extreme weather conditions).
- All vehicles must be removed from the marketplace by 8:45am and cannot be brought back in until after 1pm when the barricades are removed by either the Market Manager or other designated volunteer. Vendors are asked to park across the street towards the back of the parking lot: No vendor parking allowed next to the marketplace at Long Motor Sales. If you have a mobility impairment, contact the Market Manager.
- Vendors must contact the Market Manager by 3pm the Thursday before market if they are unable to attend the market that week. Seasonal vendors are allowed 4 absences. Any vendor with 2 no-call-no-shows will forfeit their permanent stall and will be a Daily Vendor on a first-come-first-serve basis.
- Food Trucks/Trailers must arrive and be parked prior to 8:30am. They may park in their assigned spot the night before on Friday.
- To alleviate congestion during market set-up, vendors are asked to fully unload their vehicle, park across the street, then return to finish setting up their stall. This is also suggested during market tear-down; only bring in your vehicle when your stall is fully broken down.
- Vendors are not permitted to tear-down their stall before the end of market without prior authorization from the Market Manager. If a vendor sells out of their product before 1pm, they may display a "Sold Out" sign at their stall and leave the marketplace, returning after 1pm to tear-down.
- Per the City of Tecumseh, all vendors & Food Trucks/Trailers must be removed from the marketplace by 8pm on Saturday. Failure to do so may result in expulsion from the market.
- Tecumseh's Farmers Market only hosts local vendors who are based in the following counties in the State of Michigan: Lenawee, Jackson, Washtenaw, Hillsdale, & Monroe.

Applications

- Products which the vendor plans to sell must be listed on the application and approved by the market manager. Additional products brought to the market which were not listed will not be able to be sold until approved by the Market Manager and the Greater Lenawee Chamber of Commerce.
- All vendors must have submitted an approved application prior to attending market. No drop-ins are allowed.
- All vendors must provide copies of the appropriate business licensing and insurance information with their application, such as certificate of assumed name (DBA), sales tax license, nursery license, proof of insurance, liability waiver, etc.

Stall Fees

- Stall fees are due on the market's opening day, May 10th. Vendors may pay a \$25 deposit to secure their stall at that time. The full stall fee is due for all vendors by June 14th, 2025. There will be a \$25 late fee for every week the full amount is not filled.
- No refunds or prorated passes available.

Stall Space

- A space is generally defined as a 10'x15' area for the inside stalls, 12'x12' for outside stalls.
- Vendors are responsible for any tables, tents, extension cords and other items needed for display.
- All tents/canopies outside the pavilion in the grass **must** be weighted down on all four corners. If not, the vendor may not use the tent/canopy.
- Vendors are responsible for cleaning all trash and waste within and around their stall. There will be a \$25 fee assessed to the vendor if clean up is required.
- Animals/pets are not allowed in the market stall with vendors/owners during market hours of operation. Designated service animals are allowed.
- Walkways must be kept clear with allowance for A-Frame/Sandwich Board signs. Pallets on walkways are not allowed.

Signage & Labeling

- Vendors must clearly display their name/business and prices for all items being sold.
- Certifications and licenses must be posted during market hours.
- Vendors that accept assistance programs must display program signs (i.e. EBT, WIC, etc.)

Produce, Baked Goods, Meat, and Poultry

- Produce or products labeled "organic" must have been grown or raised on farms with organic certification. This certification must be provided to the market manager and on display at the vendor's booth.

Produce, Baked Goods, Meat and Poultry continued

- Baked goods not processed in a licensed facility must adhere to Michigan's Cottage Food Law and baked by the vendor. Failure to do so will result in expulsion from the market.
- Canned foods, except jam, are **not** covered by the Cottage Food Law and therefore must follow the rules and guidelines from the Lenawee County Health Department & MDARD.
- All meat and egg products must be properly refrigerated/frozen and properly labeled. Only products raised by the vendor may be sold.
- Meat & Poultry must have been processed at a USDA inspected facility.
- Vendors selling eggs must comply with MDARD labeling requirements.
- The Market Manager holds the right to visit any vendor on a predetermined date to inspect produce, crafts, products, etc., along with a member of the Farmers Market Advisory Committee.

Arts & Crafts Vendors

- All products shall be deemed home-crafted by the vendor. Products handmade in another region or country and shipped in are not included in the definition of home-crafted. Vendors must agree to remove any articles the Farmers Market Advisory Committee does not deem appropriate. Any new designs/patterns must be approved by the Market Manager to prevent "copycats."

Other Market Regulations

- Smoking is not allowed in the market stalls or anywhere in the vicinity of the marketplace.
- Vendors must wear appropriate clothing at all times. Shoes & shirts must be worn during market hours.
- No political solicitation is permitted on market grounds.
- Solicitation and the distribution of unrelated market products are not permitted without approval from the Market Manager.
- Vehicles are prohibited from driving on the center grass area of the marketplace.
- Vendors are required to present either a copy of general liability insurance coverage, listing the City of Tecumseh and the Greater Lenawee Chamber of Commerce as additional insured **OR** sign a waiver of liability to keep on file. It is strongly encouraged for vendors have their own liability insurance. The Farmers Market or The Market On Evans is not responsible for any injury, mishap, damage or loss on any vendor stall/area or because of a product or stall component of the vendor. The vendor is solely responsible.
- Any violation of these rules or guidelines can result in the termination of involvement of the vendor in the Farmers Market.
